Dear mum and dad ,

Hi ,how are you ?

I am having a lot of fun here with my friend Sally and her family. They are really nice and very helpful.

London is a wonderful city with many interesting sights. On Monday morning, I went to Trafalgar Square with Sally and took lovely pictures of Nelson's Column which is very interesting. In the afternoon, Sally took me to Tower Bridge that is very beautiful.

On Tuesday, Sally and I visited Westminster and Buckingham Palaces. They are really impressive.

Today morning ,we went to Camden Market and bought nice clothes and souvenirs .I wanted to buy more gifts but I didn't have enough money.

Tomorrow, Sally and her mum will take me to London Tower. They said the place has a bad reputation and I am very excited to see it. Next Friday, Sally and her parents will take me to the airport .I will be sad to leave them but I feel very excited to go back to Tunisia .

Yours faithfully,

Fatma
