## Reading Comprehension

### The text

Hello ! My name is Linda and this is my best friend Lisa. We are English girls and we live in London. She is my neighbour and we are pupils in the same class. We always go to school together . During the break, we always share snacks together. She brings some apples and some fresh juice. Lisa always advises me to eat healthy food to feel well. She tells me to stop eating candies and chocolate because they are harmful and unhealthy. In the afternoon, Lisa always visits me at home. We help each other with the homework. She helps me with maths and I help her with English. On the weekends, we always go to the swimming pool together. We swim and enjoy ourselves very much. Lisa is an excellent swimmer. Next week, she will participate in a swimming competition. I am sure she will get the gold medal. I am so proud of her.
