THE TEXT

Carole has three children: two girls and a boy. Today, she goes to school to ask their teachers about their marks. All the teachers say good things about her children; they work hard, they are nice and kind to their classmates, and they always do their homework. She's so happy. She goes to the supermarket with her son to buy sweets to celebrate their good results. "Tom, do we buy cookies or cake?" Tom doesn't answer. Where is Tom? Oh he is over there. He is helping Mrs Smith our old neighbour with her basket. What a lovely boy!
