Last week, Mrs William drove her son Alex to the mall for shopping. There, she found a lovely dress at a good price. She went to the fitting room to try it on and asked Alex to wait for her. But Alex left the shop. Mrs William was scared. She couldn't find him.

Later, Alex returned and apologized to his mother. He explained that he went to the toyshop to see the skateboard he wished to buy. His mother advised him not to go anywhere alone next time. Then, Alex went to the funzone to play and Mrs William had coffee with some friends. Looking from the window, she saw Alex watching a kid playing with his skateboard. "It will be his next birthday gift," she said.

Dear Sami(a),

Hi ! How are you? I hope you are doing well. I'm writing you this e-mail to tell you that last week our health club welcomed Doctor James. He gave us many pieces of advice about keeping fit. He said that to keep fit we should eat healthy food. Moreover, we ought to drink much water, eat fruit and vegetables and sleep well. Also, we should practise sport regularly. Besides, we should avoid sugary and fatty food. Finally, we had better have three meals a day and have a balanced diet. These are the most important tips and I hope you will follow them.

Yours,
