5

Luke is an eleven year old boy from Canada . He is a pupil in Borus Boys School . It is near his house so everyday he goes there on foot . Luke loves his school because there are many activities and his teachers are kind . Luke is first of his class and all teachers like him because he is very active and hard working . After school Luke doesn't go home but he usually goes to the chess club to play with his friend Peter. Chess and basketball are his favourite pastime. Then, he goes to play basketball with the school team . When he goes back home, he does his home work and helps his mother with the housework . Before he goes to bed Luke always brushes his teeth and reads a short story.
